

“Enhancing the engagement of doctors in the management of European health systems”

6th December 2012, Cost Office, Brussels

A Medicine in Management Summit For practitioners, policymakers & academics

COST Action IS0903 is examining the role of doctors in management and the impact this is having on organisation, innovation and the incorporation of user voice within health systems. We invite you to join us at this one day summit, where we will share findings and outputs from the Action and explore the implications for policy and practice.

Professor Ian Kirkpatrick
Chair, Action IS0903

In conjunction with the Special Interest Group (Workforce) of EHMA
